

# BORING SYSTEM 21

## Technical Data

- **Motor power KW (HP) 1,5 (2)**
- **Total N° spindles 21**
- **N° left red spindles 10**
- **N° right black spindles 11**
- **Distance between spindles mm 32**
- **Distance between first and last spindle mm 604**
- **Max. boring depth mm 70**
- **Inside diameter of quick change bushes mm 10**
- **Max. dimension of the working piece mm 850×3.000**
- **Height of the working table mm 850**
- **Dimensions of the working table mm 850×375**
- **N° clamps 2**
- **Rear fence max. stroke mm 100**
- **50 Hz motor's rotation speed r.p.m. 2.800**
- **Net weight kg 310**
